25X1 1 CLLUMING RFPORT WAS PREVIOUSLY 1. On 26 October the Hong Kong vernecular lists Sheng Wan Pao carried a story that 100,000 Chinese Communist troops have been sent to the Manchurian-Korean border since the beginning of the war, and that the majority have moved to the Korean side. These troops are commanded by MU Chiang-mac (A. E. M.), a subordinate of LIN Piaco's troops in Korea had been withdrawn. An unpublished portion of this dispatch from Peiping indicated that the Chinese had withdrawn the bulk of their forces from Korea, leaving skeleton forces representing various units to create the impression that much larger forces remained, in an attempt to deceive United States tactical intelligence. Document No. 29 No Chassification in a state of the content of the impression of the majority of the content of the impression that much larger forces remained, in an attempt to deceive United States tactical intelligence.
